Shipping:

We generally use Fed Ex / U.S.P.S or Motor Freight for all of our orders that are not delivered on our truck.

We do deliver thru-out South Louisiana and parts of Mississippi

Damages:

We go out of our way to try to insure that your Bisque ware will arrive to you in one piece. However, this does not always happen. Please open your boxes and inspect your shipment within 48 hours of its arrival. If there is any damage, please contact us immediately so that we may file a claim. We will either issue you a credit or reship the merchandise.

Damage (Motor Freight):

We have an extremely high success rate with motor freight shipments. However, if any of your boxes are crushed, smashed or has a fork lift hole in it, then you need to make a notation on the freight bill at the time of delivery. Please make any notations on the freight bill before you sign it.

Shortages:

Each order is double and sometimes triple checked to insure accuracy. However, you should check your order carefully against your invoice and call us if there is a problem.

*Minimum order on Free Freight shipments must come from available Inventory.

If we are out of stock on any of your selected items, please choose additional products to reach your minimum.

We do not pay shipping on back orders.

We accept all forms of U.S. Currency, Visa, Master Card, Discover & American Express.

Please contact us for a return authorization number before shipping any goods back to us.
